About AlHuda CIBE

AlHuda Centre of Islamic Banking and Economics is a success icon in the field of Islamic Banking and Finance which focuses on training, education, awareness and publications on Islamic banking and finance in order to promote awareness of this field worldwide. We are pleased to announce the largest event of its kind with the title "International Conference on Islamic Fund and Investment" scheduled to be held on April 23, 2012 at Avari Tower, Karachi. The event also includes two days workshop on Islamic Funds Mechanism, Shariah Standards & Marketing of Islamic Financial Products to be held on April 24 & 25, 2012 at Avari Tower, Karachi - Pakistan.

Islamic Funds

The Islamic funds market is one of the fastest growing sectors in the worldwide financial system. It is estimated that there is presently some US\$400 billion of Islamic assets under management globally. Islamic funds industry grew to US\$58 billion in 2010, achieving a 7.6% growth. The universe of Islamic fund comprises of some 120 Fund Managers. Preferential asset classes for investments are equities, commodities, Sukuk and alternatives. For Sukuk assets specially, 2010 was a record year with US\$50 billion of total issuance.

The Islamic Fund industry, despite its remarkable growth during the last few years, is still in its infancy and needs careful promotion and development to make a perceptible impact in the global financial markets.

With an ever-growing range of investment choices, investors are becoming increasingly astute and selective. Fund structure, mandate and perhaps most importantly, Shari'ah compliance are vital factors for today's Muslim investor.

The Conference will provide you practical insights into:

- Islamic concept of Fund Management & Investment Industry.
- Performance of Islamic funds and investment in Pakistan and abroad
- Shari'ah Screening principles and Legislations for Islamic fund Industry.
- The Structure and Role of Islamic Indices
- Assessing innovations in Islamic Fund & Investment markets through effective growth of new Products Development and Research
- Attracting International and local Islamic Financial industry, investors and financials entities to benefit business growth of the country

Benefits of attending:

- To analyze the Islamic Fund marketplace and the range of Shari'ah compliant products currently available
- To learn about future market changes and innovations in Islamic Fund. What are the challenges and opportunities for you
- To understand the crucial principles at the core of Islamic Funds and how the Shari'ah board make their decisions regarding Investments
- To develop innovative solutions for your clients with high Shari'ah compliance
- Promoting the awareness of Islamic funds among the masses
- Recognize Pakistan as regional leader in Islamic fund and Investment sector
- Benchmark the top players in the industry and explore in detail their investment products from Islamic bonds, mutual funds and hedge funds to REITs and derivatives
- Introduction of Pakistan as regional hub for Islamic fund Industry
- Ensure the sustainable growth of your organization in the future

Who Should Attend?

- Investment & Asset Management Companies
- Banks & Financial Institutions.
- DFIs, MFIs, NGOs, NPOs, Modaraba & leasing Companies.
- Stock Exchanges, Brokerage & Clearing Houses
- REIT's & Sukuk Operators
