## Our Services

### **Advisory and Consultancy:**

The main objective of Islamic Financial Advisory function is to assist Financial Institutions to develop Islamic banking & finance and Islamic microfinance alternatives by sharing our international expertise and research. We provide advisory services in all the major areas on Islamic Banking and Finance, Takaful, Islamic Microfinance, Funds and Sukuk.

### **Research and Development:**

AlHuda CIBE has extensive experience and expertise in developing Shariah-compliant financial products and services. We are key service providers to Islamic banking and financial institutions in exploring new markets through specialized field research and market studies. Our prime aim is to enhance the outreach of Islamic financial institutions and to unlock the potential markets of Islamic finance industry worldwide.

### **Shariah Advisory**

AlHuda CIBE offers its services as a Shariah advisor through independent reviews, Islamic Financial Product Modeling, Strategic Planning, Sukuk issues and Islamic microfinance product development.

## Our Services

### **Capacity Building and Trainings:**

AlHuda CIBE offers quality distance learning programs which equip individuals and professionals to learn about various streams of Islamic banking and finance. We provide specialized capacity building services and trainings and proud to organize worldwide training workshops on Islamic banking and finance.

### **Publications and Events:**

To add value to our distinguished services, we proudly present True Banking Magazine (bi monthly), Islamic Microfinance News (Online), Sukuk Portal and Takaful Blogs. These all publications carry updated national and international news and updates on Islamic banking and finance. We have more than 15,000 circulations and over one million readerships of our publications all over the world.
