Islamic Microfinance Services

Centre of Excellence in Islamic Microfinance (CEIMF) is established by AlHuda-CIBE with the objective to provide technical and Shariah guidance to the local and international microfinance institutions in the transition process from conventional microfinance structure to Shariah compliant microfinance or establish new Islamic Microfinance institutions /divisions and so on.

Advisory and Consultancy

CEIMF is devotedly engaged in providing useful advises and consultancies for Islamic microfinance with a view to improve access to financial services. We provide a platform to resolve and endorse the technical, intellectual and operational issues and make available a source to fulfill all their structuring needs by providing all relevant solutions. CEIMF works closely with its all local and international clients to implement any necessary changes or to modify their existing structure of Islamic microfinance in line with the latest developments happening in the field.

Centre of Excellence in Islamic Microfinance

● *Islamic Microfinance Product Development*

Whether the client is interested in "standardized turn-key" or a "tailor-made personalized" Islamic financial products, we ensure to provide a one-stop facility that can provide financial institutions with the platform to access this market and to broaden their horizon utilizing our strong networking all over the world. We provide technical and Shariah guidance to the local and international microfinance institutions in the transition process from conventional microfinance structure to Shariah compliant microfinance or establish new Islamic Microfinance institutions e.g. asset and liability side products of leasing, insurance and micro credit products etc.

● *Innovation and Research*

Along with excellent Shariah consultancy offered, CEIMF team of esteemed professionals possesses a dynamic Research and Development capability for our prestigious clients. CEIMF conducts market research, field surveys and focused group discussions to know the potential of Islamic microfinance and to launch the best suited products within the country. We ensure to be a source to fulfill all structuring and restructuring need of any system for our client. We comprehend accurate and up-to-date information and system developments is a hard core need of today's banking and finance industry thus we apply our best efforts to place profound emphasis on staying on top of current practices and trends in banking and finance.

● *Capacity Building and Trainings*

Islamic microfinance is an emerging market and there is an absolute need to promote the awareness of Shariah compliant microfinance through education, trainings and capacity building to regulators and non-regulator institutions and their technical and non technical staff/members. We are a one stop platform to provide and envisage the individuals and professionals the trainings and capacity building services to fulfill all structural needs. We also provide on demand in-house specialized trainings for institutions and organizations.

Centre of Excellence in Islamic Microfinance

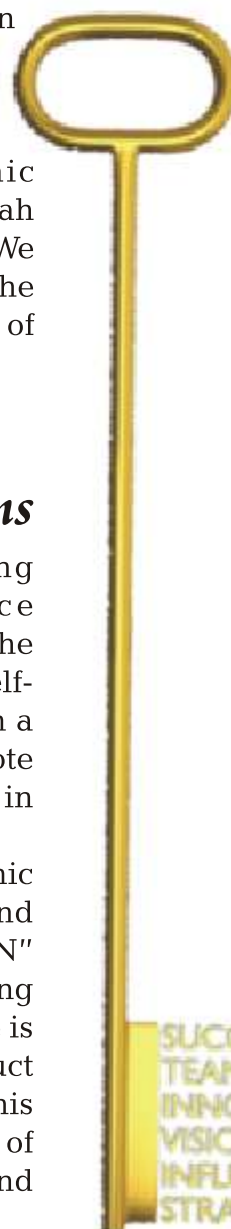

● *Shariah Advisory and Allied Services*

CEIMF ensures quality Shariah compliance in all products and services provided by Islamic Microfinance banks etc. It ensures the health and success of given operations, and preserves the integrity of the Islamic microfinance industry. We also provide Shariah certification, Shariah vetting and auditing. We scrutinize and endorse the annual reports of the clients to ensure the quality and consistency of the implemented Shariah decisions.

● *Networking and Publications*

CEIMF creates the strong networking awareness on Islamic Microfinance internationally and brings a forum to share the experience and knowledge to improve the self-sufficiency, transparency and management in a sustainable manner. Its objective is to promote the Islamic micro-entrepreneur development in sectors of micro economic resources.

We have two specialized magazine on Islamic Microfinance namely "True Banking" and "Islamic Banking and Finance News – IMFN" (online). Islamic Microfinance is an emerging market in the field of Islamic finance, so there is an immediate need to educate, train and conduct market study and awareness campaigns on this subject. Our publications cater the need of promoting the industrial latest trends and updates.
