Distance Learning Programs

Certified Takaful Professional

“Certified Takaful Professional” course is designed to produce highly skilled and competent Takaful professionals with the knowledge of the products, concepts, operational mechanism and the understanding of legal, financial and risk management issues of Takaful and also the understanding of differences & similarities between Takaful and conventional insurance.

Takaful (The Islamic insurance) is a Shariah-compliant alternative of conventional insurance. It is based on mutual cooperation, responsibility, assurance, protection and assistance among group of participants. The global market for Takaful products is one of the most exciting and highly potential sector in the international financial services today. With the industry still in a stage of development, significant growth has been witnessed over the past five years.
