OUR TRAINING APPROACH

1. Identify Training needs

Firstly, we complete a training Needs Analysis which will enable us to fully understand the training objectives of our client.

2. Mapping the Training Plan & Building Consensus

We believe that involvement builds commitment. So, by talking to our client about the specific training needs allows us to build commitment and design the training plan.

3. Training Program Additions, Alterations & Refinement

This stage is based on the results from the Training Needs Analysis and communication with client. It will help us to add, refine and finalize the training program contents and produce effective learning tools as well as identify the best suited Course Leader.

4. Practical Implementation

Our highly qualified Course Leader will deliver the training Program at designated venue at a mutually agreeable time.

5. Conducting Test & Awarding Certificate

At the end of the training session, a General Aptitude Test about the topic of the training program will be conducted which will facilitate and reinforce the transfer of learning in the participants.

On successful completion of the course, certificates will be awarded to participants.

6. Training Feedback & Course Leader Observation Report

In order to monitor and maintain the quality of the training session participants give their feedback through Training Evaluation Form. Client will receive a Course Leader Observation Report with detailed feedback about the transfer of learning.

WHOM WE SERVE

Islamic Financial Institutions including Banks, Microfinance institutions, Islamic insurance, conventional insurance companies, Islamic finance regulatory authorities, associations, networks, manpower and Islamic finance practitioners around the globe etc.
